

Ōpōtiki District Council
Ōpōtiki Ward
Electing 3 Councillors

Alex DOBIE

My principal place of residence is in the Ōpōtiki Ward area. I am also standing for Mayor-Ōpōtiki District Council.

Having served 3 terms as an Opotiki District Councillor from 2001-2010. I have the skills and experience necessary to be back on Council. I am passionate about Opotiki and the people who live here. Making Opotiki a better, a safer place in which to live will be my priority. Married to Kararaina for 38 years together, we have successfully raised 3 children in Opotiki. Prior to running my own business, I trained as a Town Planner working in several councils including Opotiki as the District Planner from 1986-1991. My community includes serving on Boards of Trustees, coaching football teams and President of the Opotiki Swimming Club. Taking a lead role in the fight to save Opotiki's Hospital. Coordinator of a successful driver-training programme, this assisted Opotiki Youth to gain their Restricted Drivers Licenses. Council rates are high and when elected I will be working to achieve a more affordable council.
