Electing 2 Councillors

David MOORE

Independent

My principal place of residence is in the Waioeka-Waiōtahe Ward area.

After leaving Opotiki College in 1986 I spent 3 years in the BNZ before establishing a beekeeping business. I have been a Fire Brigade Volunteer, spent 5 years in the Police, and

opened a real estate office with my wife Wendy in 2008.

My work and business experience, along with involvement in various clubs in the community, has given me the opportunity to interact with a diverse range of people.

I believe that in order for our community to prosper and thrive, be affordable and attractive place to live for current and future generations, financial decisions made on behalf our community must be realistic, prudent and affordable.

Opotiki is my home town and I have a desire to do my part to ensure the longevity and unity of the town. I have a sound knowledge of business, property, and people, and I'd like the opportunity to represent the Waioeka-Waiōtahe Ward.
