Electing 2 Councillors

Debi HOCART

My principal place of residence is in the Waioeka-Waiōtahe Ward area.

Kia ora,

My name is Debi Hocart & I have been a previous ODC councillor & I am now standing in the Waioeka/Waiotahi electorate. I have lived the majority of my life in Opotiki and raised & educated my children here. I work as a registered nurse at the Opotiki Health Centre & am co-director of Opotiki Independent Nursing Service. I am also involved as a committee member on the Te Ao Hou Trust, AFS, Deluxe Theatre & Opotiki Surf Club. The library, mussel farm & harbour development are some of the major issues that are concerning many people. We have some important decisions to be made around development for our district & as a small community, we have the ability to work together to make positive changes for the future. I am passionate about Opotiki & am willing to put my name forward as a voice for the community.
