

Ōpōtiki District Council

Electing the Mayor

Peter IRVING

My principal place of residence is in the Ōpōtiki District Council area. I am also standing for Ōpōtiki Ward.

My work within the Department of Corrections has given me a clear oversight of the needs of this community. There are a number of issues which require attention within Opotiki and the region where clear, decisive action is necessary and firm leadership is required. My experience includes working for the Bank of New Zealand, International business with a number of New Zealand's largest companies for many years, including large project business, plus Probation.

I see a need for better management of this region, wiser utilization of the funds generated from rates and charges made on our community, for the betterment of those in need, while planning for the future.

We are living in one of the most beautiful areas of New Zealand, and need to be able to present ourselves to the world as such, which requires the full support of this community with positive leadership.
