Electing 3 Councillors

**Shona Rosalie BROWNE**

My principal place of residence is in the Ōpōtiki Ward area.

In the past nine years I've been very proud to represent you on this hard working Council. The sewerage upgrade is expensive and is now underway, and the necessary work continues to get the funding for the Harbour Development - we need this. Sections of the CBD are about to be upgraded. We've been diligent to achieve the best possible outcomes, to minimize expense, whilst not always being successful with external funding applications.

Being born and bred in Opotiki, I've seen the good times and I believe they can be again - but that's up to each and everyone of us to make that happen. I feel I'm well grounded- serving my second year as President of Opotiki Lions Club, I'm one of two on the District Licensing Committee, and I'm a Justice of the Peace.

With your help, I'd like to be your voice on Council for another term.
