EXPLANATORY NOTES TO THE BYLAW

This Bylaw is introduced pursuant to the specific empowering provisions of the Local Government Act 2002 that provide for Bylaws for liquor control purposes. This Bylaw does not repeat or paraphrase those statutory provisions, and accordingly those provisions should be read in conjunction with this -Bylaw. In particular, the following provisions are noted:

Section 147 empowers the Council to make this Bylaw. It also defines 'liquor' and 'public place'. In addition, s147 (3) sets out a number of specific exemptions when the Bylaw will not apply with respect to the transportation of unopened bottles or containers.

OFFENCE

Any person who acts in breach of this Bylaw commits an offence and is liable upon summary conviction to a fine, as provided for under the LGA.

POLICE POWERS

Section 169 provides the Police with powers of search and seizure, without warrant, to enforce the Bylaw. The Police are responsible for enforcing the Bylaw. Section 170 sets out certain conditions imposed on the Police powers of search under s169.

In summary, where a person is found to be in breach of this Bylaw, the liquor would be subject to seizure, and forfeit to the Crown if the person is convicted of breaching the Bylaw.

A person could be arrested if found to be committing an offence under this Bylaw, or refusing to leave the area, or refusing to surrender the liquor.

No warrant is required for the police to conduct a search to ascertain whether liquor is present in a container or vehicle that is in or entering the public place. However, prior to exercising the power of search, a person must be informed that they have the opportunity to promptly remove the container or vehicle from the specified public place, and be given a reasonable opportunity to do so.

Interpretation note: In circumstances where a person so informed has removed liquor from a public place, and subsequently returns with liquor to that public place within a period when it could reasonably be deemed that the person has been informed prior to search, the police shall **not** be required to provide the person with a further opportunity to remove the liquor from the specified public place prior to search.

This Bylaw has no effect on any other Police powers of search, seizure and arrest or any other statutory offences.

PUBLIC PLACE

Any place or part of a place that is under the control of the territorial authority, which is open to or used by the public, whether or not a charge for admission applies, and any road, within the area bounded by, and inclusive of:

Public places include, but are not limited to, streets, service lanes, lanes, footpaths, car parks and reserves.
