Support or oppose Oppose

Reasons for support or oppose My grandfather Paku Edwards had a long association with the community and members of the community when he took a restorative approach to helping offenders deal with offending and abuse of substances! I have seen the positive effects that animals can have with and on people! We were brought up around horses and there are more responsible horse owners than irresponsible owners! Find a better solution, work with THE RIGHT people to find a resolution, build relationships NOT WALLS and BARRIERS!
