Name Erin Clark

Organisation if applicable Opotiki Pony Club and Opotiki Showjumping Inc member

Support or oppose Oppose

Reasons for support or oppose Banning horses from our township is no the solution to this problem. Horses are part of our history and future. Our community horse groups can come together to help find a solution that does not end in banning horses in our community. Horses are my passion and are for many of our locals. Please don't ban horses from town.
