Support or oppose Oppose

Reasons for support or oppose I oppose the bylaw banning ownership within the township is not a fixture to the issue roaming dogs are much worse unsafe and make more mess ban more then 2 dogs per home if not used for recreational purposes to control those numbers horses have always been an integral upbringing to children of Ōpōtiki maybe opening a school where horses can be used for learning and development education for our tamariki with autism / those that want to learn don't ban something that is apart of our community all because it's in the to hard basket for the council as well know you can barely control dogs find a favourable solution not an easy one
