Submission number 34

Name Maryanne Kingi

Support or oppose Oppose

Reasons for support or oppose I oppose the amendment because horses have been in my families lives since my grandparents days. We have been responsible horse whānau for many years and my grandchildren now enjoy horsesports, horse trek's, and rides with family. Our town was brought up with horses and the Council needs to work with the horse whānau instead of trying to get rid of horses. Come on Council.
