Support or oppose Oppose

Reasons for support or oppose Horse riding in town is the best I ever see our youth and their behaviour, I also see this as a huge part of family gatherings and quality family time. Many things around our houses ownership takes much positive responsibility. To which I will also state majority of the horse community are! Please dont ruin the positive and unique charm of our town for the minority and "main stream culture" embrace our gifts and celebrate the beauty of Opotiki! In 20years time Opotiki could be a amazing destination that is like no other.
