Submission number 67

Name Rocky Kurei

Support or oppose Oppose

Reasons for support or oppose My name is Rocky Kurei, born and bred in Waioeka Opotiki. as long as I have known this was the place where our horses are part of our lives. It's part of my history, and i want it to become part of my Mokopuna history, coming home for holidays knowing that Uncle or Koro will have a horse ready for them to ride and enjoy . If Responsibility is the issue, sort it out? I believe a solution can be meet. I totally OPPOSE this Bylaw. Stop giving Options, and deal with the issues.
