Support or oppose Support

Reasons for support or oppose Danger to public safety, Animal Control regularly threatened, Neglected Animals in Summer/Winter with no water access. I have encountered injured animals with open wounds not tended by vets and leaving animals to suffer. Sometimes when reported owners just move the injured animal to the other side of town. Roaming horses. Horse riders threatening residents and blocking roadways. If they can afford to own a horse owner should be able to supply paddocks or pay fees to graze their animals and pay for vet fees. Why are farm animals allowed in town? I can't have rooster or a pig but you can have a one ton animals wandering about town and on our stop banks. This has been an ongoing issue for Opotiki for many years and there has never been a workable solution. The council amendment iis long overdue.
