COAST INITIATIVES FUND

CRITERIA FOR FUNDING

The Coast Community Board has adopted the following criteria in assessing funding for projects:

1. Marae facility development and upgrades excluding projects, or components of projects, that can attract funding from other funding sources.
2. Community facilities and sports fields.
3. Pride and beautification projects within the community.
4. Community events.
5. Coastal access excluding private access.
6. Infrastructure projects specific to coastal communities that may be outside of Council immediate priorities or that may add value to existing initiatives.
7. Education and training for organisations, or members of organisations, resulting in ongoing benefit or increased opportunities to the coast community.
8. Each application would be considered by the Board on a case by case basis.
9. If approved funding is not utilised within two years from the date of approval the applicant must reapply for funding consideration.
10. Applications must be received by the Ōpōtiki District Council a minimum of 3 weeks before the Coast Community Board meets, at which a grant decision is required.
11. Grant applications will only be considered from organisations and not (an) individual(s).
12. Applications will only be accepted from those organisations that are established within the Coast Community Board ward. If such organisation proposes to provide assistance funding from a CIF grant then the reasons shall be outlined in the application.
13. Applicants requesting $5000 or more are required to attend the Board meeting at which application is being considered and speak to their application.
14. In preparing to assess applications to the CIF the Community Board Members shall at all times give due consideration to:

    (a) The Coast Community Board Standing Orders on the matter of financial conflicts of interest:

19.7 Financial Conflicts of Interests

Every member present at a meeting must declare any direct or indirect financial interest that they hold in any matter being discussed at the meeting, other than an interest that they hold in common with the public.

No member may vote on, or take part in, a discussion about any matter in which they have a direct or indirect financial interest unless an exception set out in s.6 LAMIA applies to them, or the Auditor-General has granted them an exemption or declaration under s.6.

Members with a financial interest should physically withdraw themselves from the table unless the meeting is in public excluded in which case they should leave the room.
Neither the Chairperson nor the meeting may rule on whether a member has a financial interest in the matter being discussed. The minutes must record any declarations of financial interests and the member's abstention from any discussion and voting on the matter.

AND (b) The Ōpōtiki District Council Code of Conduct in regard to Conflicts of Interest:

19.8 Conflicts of Interest

Elected Members will maintain a clear separation between their personal interests and their duties as elected members in order to ensure that they are free from bias (whether real or perceived). Members therefore must familiarise themselves with the provisions of the Local Authorities (Members' Interests) Act 1968 (LAMIA).

Members will not participate in any Council discussion or vote on any matter in which they have a pecuniary interest, other than an interest in common with the general public. This rule also applies where the member's spouse contracts with the authority or has a pecuniary interest.

Members shall make a declaration of interest as soon as practicable after becoming aware of any such interests.

If a Member is in any doubt as to whether or not a particular course of action (including a decision to take no action) raises a conflict of interest, then the member should seek guidance from the Chief Executive immediately. Members may also contact the Office of the Auditor General for guidance as to whether they have a pecuniary interest, and if so, may seek an exemption to allow that member to participate or vote on a particular issue in which they may have a pecuniary interest. The latter must be done before the discussion or vote.

Please note: Failure to observe the requirements of the LAMIA could potentially invalidate the decision made, or the action taken, by the Council. Failure to observe these requirements could also leave the Elected Member open to prosecution (see Appendix A). In the event of a conviction, Elected Members can be ousted from office.

15. **To meet the Council's Transparency and Accountability Requirements**:

(i) Grant money shall only be paid on submission of an invoice with bank account and GST number (if GST registered) details on the organisation's invoice.

(ii) Where applicable (e.g. where items are purchased) receipts and/or written quotes shall be provided to Council.
