Comments .Waihau Bay Boat Ramp Site:
Stolen by the Crown in the Foreshore & Seabed Act, handed over to ODC to manage who then had the cheek, audacity & total disregard of tangata whenua to lease out to the fishing club without consultation to Orete Inc; Te Whanau a Pararaki.
The Ramp and the Tamatari Reserve that you seem to have plans for, must be returned via Te Whanau a Pararaki Hapu to the uri of Herewini Te Moana and Hohepa Karapaina.

Waihau Bay Recreation Reserves:
Return to the Retimana whanau what belongs to the Retimana whanau.
The 'surplus land' /Orete N return to the uri of Herewini Te Moana and Hohepa Karapaina

Attached is WAI 930# 11 which i'm certain you are more than aware of.
