Submission number 10

Name Natasha Koroua

Support or oppose Oppose

Reasons for support or oppose We grow up with our horses it was our lively hood, our means of transport with our parents teaching us road safety. Horse's are apart of our whanau. They're very therapeutic for our tamariki and pakeke that have disabilities. Support your people in our beautiful town Opotiki to keep our horses in a safe haven so that we all know they are safe
