Support or oppose Oppose

Reasons for support or oppose I oppose to this amendment. Opotiki district need to meet with the horse owners of Opotiki in a face to face meeting and work with us rather than against us. Horses being a nuisance is a useless excuse as to why they are being banned from Opotiki. Work with the horse owners, put horse owners in charge of sorting loose horses rather than just impounding them. This is not good enough ODC.
